Our Company

Step by Step

AD Logistic rose of over more than 25 years of experience by **ADUMASA** in foreign trade sector.

Specialized in the demanding field of **Aeronautics**, moved our know-how to other areas of foreign trade, this way to offer an excellent service to our customers, whatever their market sector is.

Headquarter in Madrid, **AD Logistic** has a wide network of corre-spondents, thereby offering a global service quality.

AD Logistic is a flexible company, able to adapt to the conditions and necessities of our clients.

We fight for your international trade company as to serve as **strategic** support in his leadership.
